## COMMODORE'S COMMENTS

Well it is finally here!! Start waxing and painting the bottom of your boats!! Don't forget to clean up after yourself when you are removing your shrink wrap. Wrap it, tie it tightly and deposit it in the dumpster. If the dumpster is full, set it next to it. When the dumpster is empty and you notice the wrap sitting next to the dumpster, please pick it up and put it in the trash. Please deposit the oil and anitfreeze in the containers that are in the garage. If we all help and pick up after ourselves it will make spring cleanup on May 15th a much easier task inside and out of the club.

Palm Sunday Brunch and the Easter Egg Hunt were both successful. Thanks to both committees for jobs well done. Hope everyone has a great Easter.

April 9th and May 14th are our last fish frys. Sign up and make the last two the largest we have ever had. September we start again. Thanks to al the crews for all the great fish frys. We could not have done it without you!!! The fish fry has improved each time!

Our participation seems to be up. Events are being well attended and seem to be increasing. Thanks to the communications committee with early notices and sign-up sheets. The future of our club depends on our members participation.

Please pick up your membership rosters for 2004 at the club. They are back on the counter by the mirrors. By doing this, we save the club lots of dollars on postage.

Our webmasters say they are having problems with the website. So don't give up!! Keep checking the site. They are working on it as I write this. I am not sure if the agenda made it. It may have gone to e-mails instead.

To all old and new members -- if you do not know, all board meetings are open to everyone. They are held the last Thursday of each month at 7pm.

## Langdon Diver's Room

Many of you helped Langdon celebrate his 102nd birthday at the March Fish Fry and at the Grand Opening of the library.

A steady line of people talked, asked questions, renewed acquaintances, and thanked him for his six tapes at the library and for weekly articles "Looking Back with Langdon" in the Sunday Reporter.

Honoring Langdon, with his room, is a small token for what he has given back to FDL, and (for the last time) I only need \$1500 and I've reached my \$20,000 goal.

Please help Langdon's Room, the newly expanded library, and Karin reach her goal to honor Langdon.

Send donations c/o Langdon's Room, FDL Public Library and the FDL Area Foundation will send you a thank you and a tax receipt.

Thanks, Karin Whealon

DeeAnn Rose would have won the \$50 attendance prize.
